4. Distribution & Confidentiality

This document contains proprietary pricing information of Zava Corporation. Distribution is restricted to authorized sales personnel, regional directors, and executive leadership. Do not share with customers, partners, or external parties. Floor prices and margin targets are strictly confidential.

Any pricing below floor requires written approval from the CFO. Exception requests must be submitted via the Deal Desk portal with full business justification and competitive analysis.

Q3 pricing changes from Q2: ZV-AI Copilot Add-on reduced from \$15.00 to \$12.00 (competitive pressure). Enterprise Plus floor increased from \$36.00 to \$38.50 (margin recovery). Volume discount tier 10,000+ now negotiable to 25% (previously capped at 22%).
